

Safety of our patrons and employees remains our top priority. The board members of the CAC remain committed to complying to safety measures that still allow for the enjoyment of the facility and fulfillment of its mission. Changes will be inevitable under the current circumstances as “social distancing” is necessary. We appreciate your patience and hope to see you soon. Masks are required inside the facility for everyone.

WE'RE OPEN FOR YOU!

Art & Music happen every week at the Cultural Activities Center...Come join the fun!

- **TEXAS MUSIC SERIES 2021** begins in May with live performances. Some of the 2020 season was postponed until 2021 and individual tickets are available for those performances. The CAC auditorium reopened to full capacity as of April 1, 2021, so there are plenty of seats available. Patrons shall be required to wear masks until further notice as a safety measure.
- **Virtual access** combined with live attendees allow many Patrons to meet and conduct events while practicing “social distancing” measures to protect the welfare of CAC employees and the participants. The CAC staff is facilitating group events as requested. Let us help organize your meetings in the right size space for your group.
- **Central Texas Art League** members gather once each month for a presentation on a variety of topics promoting creative ventures. Members gain access to specialized guilds for an exchange of ideas and techniques with FREE demonstrations. Come join the fun of creative arts with kindred spirits on the first Tuesday evening each month. Learn more on the CTAL page under the member groups tab.
- **Current exhibits** make a great escape during the day and the galleries are filled with exciting exhibits that showcase local artists' and students' work in a variety of types of artwork. The galleries are open Monday through Friday during business hours from 8:00 a.m. to usually around 4:00 p.m. (extended hours if events are happening in the building) to allow anyone to escape their routine and enjoy these exquisite collections of local art. Just ask for assistance in the administrative office to purchase those items that are for sale.
- **Visit the CAC YouTube channel or FACEBOOK** page for access to virtual programming and information about classes for both adults and children throughout the Spring and Summer.
