

Safety of our patrons and employees remains our top priority. Each time that local, state or federal guidelines are issued, the staff is trained and advised as necessary. The board members of the CAC remain committed to complying to standards that still allow for the enjoyment of the facility and fulfillment of its mission. Changes will be inevitable under the current circumstances as “social distancing” is necessary. We appreciate your patience and hope to see you soon.

WE'RE OPEN FOR YOU!

Art, Music and Gatherings continue with Social Distancing at the CAC!

- **Zoom and In-person combo meeting**

Patrons are meeting and conducting events while practicing “social distancing” measures to protect the welfare of CAC employees and the participants. Through a combination of Zoom meeting access and in-person attendees, the CAC staff is facilitating group events. Let us help organize your meetings in the right size space for the group.

- **Central Texas Art League Meet-ups**

Local artists gather once each month for a presentation on a variety of topics promoting creative ventures. Now, CTAL offers specialized guilds to promote an exchange of ideas and techniques between the members in addition to the monthly meeting. Guild meetings and demonstrations are FREE to members. Come join the fun of creative arts with kindred spirits on the first Tuesday evening each month. Learn more on the Central Texas Art League page under the member groups or visual arts tabs.

- **Current exhibits make a great escape**

The galleries are filled with exciting exhibits that showcase local artists' work and a variety of types of artwork. The galleries are open Monday through Friday during business hours from 8:00 a.m. to usually around 4:00 p.m. (extended hours if events are in the building) to allow anyone to escape their routine and enjoy these exquisite collections of local art. Just ask for assistance in the administrative office to purchase those items that are for sale.

- **On-line concerts and shows**

Visit the CAC YouTube channel or FACEBOOK page for access to virtual programming ranging from children's programming of past years of Hands On productions to musical offerings from our Texas Music Series shows. Our gift to you is FREE access!

FACE MASKS will be required inside the facility for all patrons and employees. The CDC guidelines and local/state government guidelines suggest that this measure is the most efficient way to stop the spread of COVID-19. If you do not have a mask, one can be provided in the administrative office.
